Item 1.01 Entry into a Material Definitive Agreement.***Seventh Supplemental Indenture***

On May 3, 2019, Boardwalk Pipelines, LP (“Boardwalk Pipelines”), a wholly-owned subsidiary of Boardwalk Pipeline Partners, LP a Delaware limited partnership (the “Partnership”), completed its offering of \$500.0 million in aggregate principal amount of 4.80% senior unsecured notes due 2029 (the “Notes”) which are fully and unconditionally guaranteed on a senior unsecured basis by the Partnership.

The Notes were issued pursuant to an indenture, dated as of August 21, 2009 (the “Base Indenture”), between Boardwalk Pipelines, as issuer, the Partnership, as guarantor, and The Bank of New York Mellon Trust Company, as trustee (the “Trustee”), as amended and supplemented by the Seventh Supplemental Indenture, dated May 3, 2019 (the “Seventh Supplemental Indenture” and together with the Base Indenture, the “Indenture”). A copy of the Seventh Supplemental Indenture is filed as Exhibit 4.1 to this report and is incorporated by reference herein.

Interest on the Notes will be payable in arrears on May 3 and November 3 of each year they are outstanding, beginning on November 3, 2019. Boardwalk Pipelines may redeem the Notes, in whole or in part, at any time prior to February 3, 2029 at a redemption price equal to the greater of 100% of the principal amount of the Notes to be redeemed or the “make whole” redemption price, plus accrued and unpaid interest, if any, to the date of redemption. Boardwalk Pipelines may redeem the Notes, in whole or in part, at any time and from time to time on or after February 3, 2029 at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to the redemption date.

The Indenture contains covenants that will limit the ability of Boardwalk Pipelines, and its subsidiaries to, among other things, create liens, enter into sale-leaseback transactions, sell assets or merge with other entities. The Indenture does not restrict Boardwalk Pipelines or its subsidiaries from incurring additional indebtedness, paying distributions on its equity interests or purchasing or redeeming their equity interests, nor does it require the maintenance of any financial ratios or specified levels of net worth or liquidity. In addition, the Indenture does not contain any provisions that would require Boardwalk Pipelines to repurchase or redeem or otherwise modify the terms of the Notes upon a change in control or other events involving Boardwalk Pipelines. Events of default under the Indenture include (i) a default in the payment of principal of the Notes or, following a period of 30 days, of interest, (ii) a breach of Boardwalk Pipelines’ covenants or warranties under the Indenture or the Partnership’s under its guarantee, (iii) certain events of bankruptcy, insolvency or liquidation involving Boardwalk Pipelines, the Partnership or any Significant Subsidiary (as defined in the Indenture) and (iv) any payment default or acceleration of indebtedness of Boardwalk Pipelines, the Partnership or any subsidiary of Boardwalk Pipelines if the total amount of such indebtedness unpaid or accelerated exceeds \$50.0 million.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided under Item 1.01 in this report regarding the Notes and the Seventh Supplemental Indenture is incorporated by reference into this Item 2.03. The description set forth above in Item 1.01 is qualified in its entirety by the Base Indenture and the Seventh Supplemental Indenture (including the form of Note attached thereto). A copy of the Base Indenture was filed as Exhibit 4.1 to the Partnership’s Current Report on Form 8-K filed on August 21, 2009 and is incorporated herein by reference. WITNESSETH:

WHEREAS, the Issuer and the Guarantor have heretofore entered into an Indenture, dated as of August 21, 2009 (the “*Original Indenture*”), with The Bank of New York Mellon Trust Company, N.A., as trustee;

WHEREAS, pursuant to Section 9.01(k) of the Original Indenture, the Issuer proposes to supplement the Original Indenture to establish the form and terms of a new series of Debt Securities pursuant to this Seventh Supplemental Indenture as permitted by Sections 2.01 and 2.03 of the Original Indenture;

WHEREAS, the Original Indenture, as supplemented pursuant to this Seventh Supplemental Indenture, is herein called the “*Indenture*”;

(d) any mortgage existing on any property of a Subsidiary of the Issuer at the time it becomes a Subsidiary of the Issuer and any mortgage on property existing at the time of acquisition thereof;

(f) any mortgage created or assumed by the Issuer or a Subsidiary of the Issuer to secure loans to the Issuer or a Subsidiary of the Issuer maturing within 12 months of the date of creation thereof and not renewable or extendable by the terms thereof at the option of the obligor beyond such 12 months, and made in the ordinary course of business;

(i) mortgages upon rights-of-way;

(j) undetermined mortgages and charges incidental to construction or maintenance;

(k) the right reserved to, or vested in, any municipality or governmental or other public authority or railroad by the terms of any right, power, franchise, grant, license, permit or by any provision of law, to terminate or to require annual or other periodic payments as a condition to the continuance of such right, power, franchise, grant, license or permit;

(n) the lien reserved in leases for rent and for compliance with the terms of the lease in the case of leasehold estates;

(o) defects and irregularities in the titles to any property (including rights-of-way and easements) which are not material to the business of the Issuer and its Subsidiaries considered as a whole;

(p) any mortgages securing Indebtedness neither assumed nor guaranteed by the Issuer or a Subsidiary of the Issuer nor on which the Issuer or such Subsidiary customarily pays interest, existing upon real estate or rights in or relating to real estate (including rights-of-way and easements) acquired by the Issuer or a Subsidiary of the Issuer, which mortgages do not materially impair the use of such property for the purposes for which it is held by the Issuer or such Subsidiary;

(q) easements, exceptions or reservations in any property of the Issuer or a Subsidiary of the Issuer granted or reserved for the purpose of pipelines, roads, telecommunication equipment and cable, streets, alleys, highways, railroad purposes, the removal of oil, gas, coal or other minerals or timber, and other like purposes, or for the joint or common use of real property, facilities and equipment, which do not materially impair the use of such property for the purposes for which it is held by the Issuer or such Subsidiary;

(r) rights reserved to or vested in any municipality or public authority to control or regulate any property of the Issuer or a Subsidiary of the Issuer, or to use such property in any manner which does not materially impair the use of such property for the purposes for which it is held by the Issuer or such Subsidiary;

(t) the liens of any judgments in an aggregate amount not in excess of \$2,000,000 or the lien of any judgment the execution of which has been stayed or which has been appealed and secured, if necessary, by the filing of an appeal bond;

(w) leases now or hereafter existing and any renewals or extensions thereof;

(x) any lien on inventory and receivables incurred in the ordinary course of business to secure Indebtedness incurred for working capital purposes including liens incurred in connection with a sale of receivables; and

(y) any mortgage not permitted by clauses (a) through (x) above if at the time of, and after giving effect to, the creation or assumption of any such mortgage, the aggregate amount of all mortgages not permitted by clauses (a) through (x) above, together with the total consolidated Attributable Debt in respect of Sale and Lease-Back Transactions permitted by Section 4.11(a) hereof, does not exceed 10% of Consolidated Net Tangible Assets of the Issuer.

In the event that the Issuer or a Subsidiary of the Issuer shall hereafter secure the Notes equally and ratably with any other obligation or Indebtedness pursuant to the provision of this Section 4.10, the Trustee is hereby authorized to enter into an indenture supplemental hereto and to take such action, if any, as it may deem advisable to enable it to enforce effectively the rights of the Holders of the Notes so secured, equally and ratably with such other obligation or Indebtedness.

The Trustee, at its request, shall be provided with an Opinion of Counsel as conclusive evidence that any such supplemental indenture or steps taken to secure the Notes equally and ratably comply with the provisions of this Section 4.10.

Section 4.11 Limitations on Sale and Lease-Back Transactions. The Issuer will not, and will not permit any of its Subsidiaries to, enter into any arrangement with any Person providing for the lease by the Issuer or a Subsidiary of the Issuer of any Principal Property, acquired or placed into service more than 180 days prior to such arrangement (except for leases of three years or less), whereby such property has been or is to be sold or transferred by the Issuer or any Subsidiary of the Issuer to such Person (herein referred to as a “**Sale and Lease-Back Transaction**”), unless:

(a) the Issuer or such Subsidiary would, at the time of entering into a Sale and Lease-Back Transaction, be entitled to incur Indebtedness secured by a mortgage on such Principal Property to be leased in a principal amount at least equal to the Attributable Debt in respect of such transaction without equally and ratably securing the Notes pursuant to Section 4.10 hereof; or

(b) the Issuer shall covenant that it will apply an amount equal to the net proceeds from the sale of the Principal Property so leased to the retirement (other than any mandatory retirement) of its Funded Indebtedness within 90 days of the effective date of any such Sale and Lease-Back Transaction, *provided* that the amount to be applied to the retirement of Funded Indebtedness of the Issuer shall be reduced by (i) the principal amount of any Notes delivered by the Issuer to the Trustee within 90 days after such Sale and Lease-Back Transaction for retirement and cancellation, and (ii) the principal amount of Funded Indebtedness, other than Notes, voluntarily retired by the Issuer within 90 days following such Sale and Lease-Back Transaction, and *provided, further*, that the covenant contained in this Section 4.11 shall not apply to, and there shall be excluded from Attributable Debt in any computation under this Section 4.11, Attributable Debt with respect to any Sale and Lease-Back Transaction if:

(A) such Sale and Lease-Back Transaction is entered into in connection with transactions which are part of an industrial development or pollution control financing, or

(B) the only parties involved in such Sale and Lease-Back Transaction are the Issuer and any Subsidiary or Subsidiaries of the Issuer.

Notwithstanding these restrictions on Sale and Lease-Back Transactions, the Issuer and its Subsidiaries may enter into, create, assume and suffer to exist Sale and Lease-Back Transactions, not otherwise permitted hereby, if at the time of, and after giving effect to, such Sale and Lease-Back Transactions, the total consolidated Attributable Debt of the Issuer and its Subsidiaries in respect of such Sale and Lease-Back Transactions, together with mortgages incurred pursuant to Section 4.10(y) hereof, does not exceed 10% of Consolidated Net Tangible Assets of the Issuer.”

**ARTICLE VI
ADDITIONAL EVENTS OF DEFAULT**

Section 6.01 Additional Events of Default. Only in relation to the Notes, pursuant to Sections 2.03(p) and 6.01(h) of the Original Indenture, the following shall be an “*Event of Default*” with respect to the Notes:

(a) Either (i) default by the Issuer, the Guarantor or any Subsidiary of the Issuer in the payment at the Stated Maturity, after the expiration of any applicable grace period, of principal of, or premium, if any, or interest on, any Indebtedness then Outstanding having a principal amount in excess of \$50.0 million or (ii) the acceleration of Indebtedness of the Issuer, any Guarantor or any Subsidiary of the Issuer having a principal amount in excess of \$50.0 million by the holders thereof because of a default so that such Indebtedness becomes due and payable prior to its Stated Maturity.

**ARTICLE VII

If the Partnership exercises either its legal defeasance option or its covenant defeasance option with respect to Debt Securities of a particular series that are entitled to the benefit of the Guarantee, the Guarantee will terminate with respect to that series of Debt Securities. The Partnership may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.”

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest. Boardwalk Pipelines, LP, a Delaware limited partnership (the “**Partnership**” or the “**Issuer**”), promises to pay interest on the principal amount of this Note at 4.80% per annum until maturity. The Issuer shall pay interest semi-annually on May 3 and November 3 of each such year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “**Interest Payment Date**”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from May 3, 2019; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be November 3, 2019. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the same rate, and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Issuer shall pay interest on the Notes (except Defaulted Interest) to the Persons who are registered Holders of Notes at the close of business on the April 18 or October 18 next preceding the Interest Payment Date, even if such Notes are canceled after such

² To be included only if the Note is issued in global form.

record date and on or before such Interest Payment Date, except as provided in Section 2.16 of the Original Indenture with respect to Defaulted Interest, and the Issuer shall pay principal (and premium, if any) of the Notes upon surrender thereof to the Trustee or a paying agent on or after the Stated Maturity thereof. The Notes shall be payable as to principal, premium, if any, and interest at the office or agency of the Trustee maintained for such purpose (which initially is 2 North LaSalle Street, Suite 1020, Chicago, Illinois 60602), or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their addresses set forth in the Debt Security Register or by wire transfer to accounts designated by the Holders; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of, and interest and premium, if any, on each Global Security. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. Paying Agent and Registrar. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, shall act as paying agent and Registrar. The Issuer may change any paying agent or Registrar without notice to any Holder. The Partnership may act in any such capacity.

4. Indenture. The Issuer issued the Notes under an Indenture dated as of August 21, 2009 (the “*Original Indenture*”), as amended and supplemented by the Seventh Supplemental Indenture, dated as of May 3, 2019 (the “*Seventh Supplemental Indenture*,” and, together with the Original Indenture, the “*Indenture*”), each between the Issuer, Boardwalk Pipeline Partners, LP, as guarantor (together with its successors, the “*Guarantor*”), and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are the obligation of the Issuer and the Guarantor, initially in aggregate principal amount of \$500 million. The Issuer may issue an unlimited aggregate principal amount of Additional Notes under the Indenture. Any such Additional Notes that are actually issued shall be treated as issued and Outstanding Notes (and as the same series (with identical terms other than with respect to the issue date, issue price and first payment of interest) as the initial Notes for the purposes indicated in Section 3.02 of the Seventh Supplemental Indenture).

5. Optional Redemption.

(a) At its option, the Issuer at any time prior to the Par Call Date, may choose to redeem all or any portion of the Notes, at once or from time to time, at a redemption price equal to the greater of (i) 100% of the principal amount of such Notes and (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon that would have been due if the Notes matured on the Par Call Date (exclusive of interest accrued to the Redemption Date) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 35 basis points, plus in each case accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date).

(b) At its option, the Issuer at any time on or after the Par Call Date, may choose to redeem all or any portion of the Notes, at once or from time to time, at a redemption price equal to 100% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date).

For purposes of determining the redemption price, the following definitions shall apply:

“**Comparable Treasury Issue**” means the U.S. Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming, for this purpose, that the Notes matured on the Par Call Date (the “Remaining Life”)) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the Remaining Life of the Notes to be redeemed (including, with respect to the definition of the term “Remaining Life”).

“**Comparable Treasury Price**” means, for any Redemption Date, (1) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations or (2) if the Issuer obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

“**Independent Investment Banker**” means one of the Reference Treasury Dealers appointed by the Issuer.

“**Reference Treasury Dealers**” means each of Barclays Capital Inc., J.P. Morgan Securities LLC and a Primary Treasury Dealer (as defined below) selected by MUFG Securities Americas Inc., or an affiliate or successor of the foregoing, and two Primary Treasury Dealers selected by the Issuer; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer in New York City (a “**Primary Treasury Dealer**”), the Issuer shall substitute therefor another Primary Treasury Dealer.

“**Reference Treasury Dealer Quotations**” means, for each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Issuer, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Issuer by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third business day preceding such Redemption Date.

“**Treasury Rate**” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

6. Mandatory Redemption. The Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes or to repurchase them at the option of the Holders.

7. Notice of Redemption. Notice of redemption shall be mailed by first class mail (or, in the case of Global Securities, transmitted electronically) at least 30 days but not more than 60 days before the Redemption Date to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the Redemption Date interest shall cease to accrue on Notes or portions thereof called for redemption and with respect to which the redemption price has been paid.

8. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuer may require a Holder to pay any taxes or other governmental charges imposed in relation thereto.

9. Persons Deemed Owners. The registered Holder of a Note shall be treated as its owner for all purposes.

10. Amendment, Supplement and Waiver. Subject to certain exceptions, the Indenture may be amended or supplemented with the consent of the Holders of not less than a majority in aggregate principal amount of the then Outstanding Notes, and any existing default or compliance with any provision of the Indenture relating to the Notes may be waived with the consent of the Holders of not less than a majority in aggregate principal amount of the then Outstanding Notes. Without the consent of any Holder of a Note, the Indenture may be amended or supplemented for any of the purposes set forth in Section 9.01 of the Indenture, including to provide for the assumption of the Issuer's obligations to Holders of the Notes in case of a merger or consolidation of the Issuer or sale of all or substantially all of the Issuer's assets, to add to the covenants of the Issuer or any Guarantor, to cure any ambiguity or omission or to correct any defect or inconsistency, to permit the qualification of the Indenture under the TIA, to add or reflect the release of Guarantors pursuant to the terms of the Indenture, to make any change that does not adversely affect the rights under the Indenture of any Holder of the Notes, to add to, change or eliminate any of the provisions of the Indenture in respect of one or more series of Debt Securities in certain circumstances, to evidence or provide for the acceptance of appointment under the Indenture of a successor or separate Trustee or to establish the form or terms of any other series of Debt Securities.

11. Defaults and Remedies. Each of the following constitutes an Event of Default with respect to the Notes: (i) default in the payment of any installment of interest upon the Notes as and when due and payable, and continuance of such default for a period of 30 days; (ii) default in the payment of all or any part of the principal on any of the Notes as and when the same shall become due and payable either at Stated Maturity, upon any redemption, by declaration or otherwise; (iii) default in the performance, or breach, of any covenant or agreement of the Issuer or the Guarantor in respect of the Notes (other than a covenant or agreement in respect of the Notes a default in the performance of which or the breach of which is elsewhere in Section 6.01 of the Indenture specifically dealt with) and continuance of such default or breach for a period of 60 days (or 180 days in the case of a Reporting Failure) after there has been given to the Issuer and the Guarantor by the Trustee or to the Issuer, the Guarantor and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Notes, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "*Notice of*

Default” hereunder; (iv) certain events of bankruptcy, insolvency or reorganization with respect to the Issuer or, if and so long as the Notes are guaranteed by a Guarantor, such Guarantor; (v) any Guarantee ceasing to be in full force and effect (except as otherwise provided in the Indenture), being declared in any judicial proceeding to be null and void, or being denied or disaffirmed by the applicable Guarantor; and (vi) either (1) default in the payment of any Indebtedness of the Issuer, the Guarantor or any Subsidiary of the Issuer after the expiration of any applicable grace period after final maturity or (2) the acceleration of Indebtedness of the Issuer, the Guarantor or any Subsidiary of the Issuer by the holders thereof because of a default and, in either case, the total amount of the Indebtedness unpaid or accelerated exceeds \$50 million; *provided, however*, that the occurrence of any of the events described in clause (iii) above shall not constitute an Event of Default if such occurrence is the result of changes in generally accepted accounting principles as recognized by the American Institute of Certified Public Accountants at the date as of which the Seventh Supplemental Indenture is executed and a certificate to such effect is delivered to the Trustee by the Issuer’s independent public accountants.

If any Event of Default, other than one described in clause (iv) above, occurs and is continuing, then, unless the principal of and accrued and unpaid interest on all the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the then Outstanding Notes may declare the principal of and interest on all the Notes to be due and payable. In the case of an Event of Default arising from certain events of bankruptcy or insolvency, then in each and every such case, unless the principal of and accrued and unpaid interest on all the Notes shall have already become due and payable, the principal of and interest on all the Notes shall become due and payable immediately, without further action or notice.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of not less than a majority in aggregate principal amount of the then Outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if the Trustee determines in good faith that withholding notice is in the Holders’ interests. The Holders of not less than a majority in aggregate principal amount of the Notes then Outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any past Default or Event of Default and its consequences under the Indenture except a Default or Event of Default in the payment of interest on, the principal of, or premium, if any, on, the Notes or an Event of Default relating to a provision of the Indenture that cannot be amended without the consent of each Holder affected thereby. The Partnership is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Partnership is required within 30 days after it becomes aware of the occurrence of any Default or Event of Default to deliver to the Trustee a statement specifying such Default or Event of Default and certain additional information.

12. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

13. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

14. CUSIP and ISIN Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and corresponding ISIN numbers to be printed on the Notes, and the Trustee may use CUSIP and corresponding ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
